

STELLA MARIS FOLLOW-UP REPORT (MAY 10-11)

Team: Jenelyn Adrecuso, Natty Benedicto, and Rey Abarina

May 10, 2014, 10:30AM, was the first meeting with the **Tominjao** Beneficiaries two weeks after the turnover of motorized-boats.

Agenda:

1. Starting date for collection of contributions
2. Creating name of the group
3. Giving out of the notebooks and pens for recording
4. Election of officers
5. Orientation about the pilgrimage
6. Others

Group name: **Barkada ni Sr. San Jose**

OFFICERS:

President: Abdon Trangia
V-President: Nestor Salgarino
Treasurer: Jeffrey Decipulo
M.M.O.: Rengee Gastador
Jobert Monteseven

The group decided to start the collection of their contribution on the **first of July**. They were informed about the possible pilgrimage to visit them next month.

The group also discussed about the existing problem on illegal fishing in their place - those using compressor & cyanide.

May 10, 2014

Another meeting with the first batch of beneficiaries in Maya was set.

Agenda:

1. Follow-up Development
2. Contributions
3. Registration of boats
4. Others
- 5.

After the opening prayer, the meeting started with “kumustahan”

It was consoling to hear from the beneficiaries that they now have bigger income compared to the time before they receive the motorized boats.

But, there are still others who are not yet able to fish for some reasons. Consequently, a few of them have not started their contribution.

The registration of the boats was also discussed.

There were seven pairs who requested to have their boats coated with fiber glass.

After about two hours, the meeting ended with a dinner with the fishermen. The team talked to the humuhumunukunuku beneficiaries after the dinner to settle some issues.

May 11, 2014-Meeting with the **second batch of beneficiaries in **Maya**.**

Just like the other group, we did “ kumustahan”.

The group decided to bear “Barkada ni San Isidro Labrador” as their group name.

Later on, they will be merged with the first batch.

Two pairs of beneficiaries were already using the boats and most of them said that they are going to launch the boats on the day of the Feast of Malapascua Island- May 11, same day of our meeting.

The group decided to start their contribution on June 1, 2014 and they are going to give the payments to Mr. Lando Moreno.

The fishermen requested also if they could avail of loans for some fishing gears like nets, ropes and etc.

May 11, 2014- First meeting with the **Talisay Beneficiaries two weeks after the turn-over.**

Agenda:

1. Starting date for collection of contributions
2. Creating name of the group
3. Giving out of the notebooks and pens for recording
4. Election of officers
5. Orientation about the pilgrimage
6. Others

Group Name: Barkada ni San Juan Nepomuceno

OFFICERS

President: Ranulfo “Ginggong” Ludong

V-President: Armando Broñola

Treasurer: Generoso Conge

M.M.O.: Nolan Ludong
Antonio Rexcillo Patalita

Ryan Ludong

Adviser: Charles de Puyat

The group decided to start the collection of their contribution on the first of June.

They were also informed about the pilgrimage from Cebu City.

And after that, there was a discussion about the illegal fishing that's happening in their area.

.

They presented some problems about the boat - that the inside part bloated. It has to be painted with epoxy to prevent leakage.

Other Villages with Fishermen Requesting Bancas:

1. Borbon – about 20 applicants (10 boats) – c/o Fr. Au Au.
2. Bogo - There are villages that had not received any kind of assistance since Typhoon Yolanda. Some fishermen are requesting to be included in the Program of Stella Maris and Friends.
